The Honorable Larry Combest (R-Tex., 19th)
United States House of Representatives
1026 Longworth House Office Building
Washington, DC 20515

Dear Representative Combest:

The Advertising Council, the nation's largest provider of public service advertisements (PSAs), is pleased to inform you of the impressive support our PSAs have received from KLBK in Lubbock, TX.

In 2001, this television station donated a total of 1039 spots of valuable airtime towards Ad Council PSAs. This contribution enabled the Ad Council to communicate public service messages that help improve society and save lives.

The Ad Council's relationship with the media is a long and powerful one. Since our founding in 1942 by President Franklin Roosevelt, the Ad Council has successfully utilized the pro bono resources of the media and advertising industries to promote PSAs such as "Friends Don't Let Friends Drive Drunk," and "A Mind Is A Terrible Thing To Waste." These messages, as well as others ranging from protecting the environment to education and drug prevention are communicated to the American people through approximately \$1.6 billion in donated media time each year.

Following the tragedy of September 11, the Ad Council found itself back on its wartime footing and immediately assumed the responsibility to create PSAs to help the country heal and remain strong. It is because of the generosity of the media, and stations like KLBK, that the Ad Council has been able to communicate these critical messages to the public, including the "I am an American" PSA, which celebrates this country's extraordinary diversity.

Marking its 60th anniversary of developing PSAs for generations of Americans, the Ad Council continues to use the power and the generosity of the media to create positive and lasting social change in America. Please join us in commending KLBK for using its spectrum to improve the lives of people in their community.

Sincerely,

cc: Mike Pumo, KLBK, General Manager

Dear Rick,

On behalf of the Community Relations Commission of the City of Lubbock, I want to thank you for your participation in our Forum on Media held at the Civic Center on January 23.

Your very presence, so strongly representing the media establishment in our city, was a terrific positive witness to our citizens. Additionally, your thoughtful input and patient reception of concerns showed everyone present your genuine concern for truthful depiction of our respective racial constituencies.

I thought the meeting entertained a candid and forthright discussion of difficult issues without becoming divisive. Your professionalism helped create an atmosphere for real dialogue. Thank you for this substantial contribution to our collective work of fostering better relations throughout our great city.

Yours cordially,

Dear Mr. Russell,

I would like to compliment Carrie and Jon for the professionalism with which they conducted themselves at the inauguration of President Bush this past weekend in Washington, D.C.

You and your station can be very proud of both of them and the efforts they made to include everyone at the Hotel Washington on Saturday during the parade. Many of us left Washington with not only a satisfaction of having a new President but also a new feel for the media of Lubbock.

Dear Becky and Carrie:

Thank you for honoring me as a Woman of Excellence by CBS 13 for Women at the Lubbock Cotton Kings game last week. As Mayor, I am privileged to work for the betterment of Lubbock, and I appreciate CBS 13 for Women and the Lubbock Cotton Kings for recognizing my efforts on behalf of the community.

CBS 13 for Women has done a wonderful job of publicizing women's issues and showcasing women in the Lubbock community. Your partnership with the Lubbock Cotton Kings in promoting Thursday night home games as "Ladies Night" has been outstanding. I truly enjoyed the opportunity to drop the puck and watch the game on this memorable night. The fact that we won the game was just frosting on the cake.

Again, thank you for honoring me with the Woman of Excellence Award. If I can be of assistance to you or CBS 13 for Women, please do not hesitate to contact me.

The Guston Smith Kaleidoscope students and staff want you to know what a special field trip this was for all of us. The little ones thought your tower was the greatest and begged to climb it. The older students talked and talked about how much they learned and how they want to put their knowledge to use in the news, weather, and sports programs we are "attempting" to develop.

My special thanks to all of you for your time, effort, and patience with our children. It was a wonderful learning experience for all of us.

Dear Mr. Snuffer,

The Heart of Lubbock Neighborhood Association thanks you for your support with Channel 13 Listens coverage regarding "absentee" landlords in our Neighborhood and for news coverage of our Paint Sale this past Saturday.

Our Paint Sale, offering Kelly-Moore paint at \$5.00 a gallon, brought net proceeds to our Neighborhood Association of about \$2,100.00. The proceeds will be utilized by the Neighborhood Association to offer dead-bolt locks free and installed free of charge to elderly and low income residents in our Neighborhood. Proceeds will also be utilized for more motion-sensored alley lights and park benches.

As per our conversation today regarding landlords and a possible forum with them, I would be interested in attending any such meetings. My business phone number is (806) 749-2300 and my home phone number is (806) 763-1566.

Your participation and support "is" and "what will" make our Neighborhoods a greater place for all of us to live and work.

Speaking for the Lubbock Amateur Radio Club and the amateur radio operators in the Lubbock area, I would like to thank you for allowing us to hold our annual Field Day event on your premises on June 27 and June 28. The use of your facilities for this event allowed us to provide the Lubbock community an excellent opportunity to see a good display of amateur radio capabilities and what it is all about.

I would also like to thank you for the nice news coverage you did on our event. This also helped in providing a good event for our community, as that is really what amateur radio is all about, community service to the Lubbock area.

On a final note, I would also like to thank you for your continuing support that you provide us throughout the year in the way of letting us use your tower and facilities for our repeater systems, which are the very heart of our local communications both on a day by day basis plus during any emergencies that we use them for. This support is truly appreciated by those of us who use the repeater systems during times of need by our community. Thank you very much again for your support.

If there were any problems or anything we did during our use of the facilities during that weekend while we were out there that you would like us to correct, please let us know and we will be very happy to correct them. Thanks again for your help.
